

BIOGRAPHY

Bill Williams

Bill Williams has been with Discovery nearly 9 years. As Director of Learning, he leads a team of training developers and instructors who handle live and online offerings in management & leadership, interpersonal communication, financial understanding, software applications, performance management (Global Performance System) and more.

Bill recently spearheaded the implementation of One Learning Place, Discovery's global learning management system. Bill and his team frequently assist intact work groups on a customized basis to provide consultation on performance effectiveness issues and can provide solutions for individuals and teams specific to each situation. These may include training courses, teambuilding sessions, individual and team assessments like the Myers Briggs (MBTI) or Birkman, and group facilitation.

Prior to Discovery, Bill spent 15 years in the financial services industry, primarily in management roles in human resources, training, and legal compliance.
