

## BIOGRAPHY

### Charlotte Wilcox

---

**Charlotte Wilcox** graduated from the University of Gloucestershire with a first class honours degree in Business Management - and having successfully completed a HR placement year at Armstrong International in the City - Charlotte joined Discovery as HR Administrator in September 2007.

Within her role Charlotte is involved in a number of key HR projects, most significantly being responsible for ensuring Discovery's compliance with the major legislative changes to the UK immigration system recently imposed by the government. Liaising closely with Fragomen LLP, Charlotte has developed and implemented internal processes which satisfy national requirements for the employment of non-EEA nationals; helping to ensure that Discovery are able to retain a truly international workforce in the UK.

In addition, Charlotte is currently working on an international project with team members drawn from various Discovery offices worldwide to develop an innovative and dynamic careers website.

Charlotte is looking forward to advancing her career in HR at Discovery, through both internal development and by undertaking CIPD qualifications.
