

BIOGRAPHY

David Relfe

David Relfe is Head of Operation for Ascent Media based at Chiswick Park, London and is responsible for maintaining the day to day operation for Discovery Networks Europe. Ensuring the operational efficiency implementing and maintain processes, procedures and systems to enhance the business deliverables for Playout, Media management, Ingest and Edit, as well as the management of the Ascent operations team.

Prior to taking over responsibility for the Discovery contract David worked for Ascent Media as a Client Manager for the Flextech Television contract managing day to day operations for Playout, Library, Graphics and Edit facilities. Before taking over as Client Manager David worked on the Flextech channels for 11 years, initially as Transmission Controller, Supervisor and Transmission Manager. Before moving to work on the Flextech channels in Transmission David started as a controller with Thames television at Teddington, launching one of the early Discovery South Africa Italy services from Teddington

Prior to Thames TV David worked for 11 years as a freelance Special Effects Model Maker with the film and advertising industry, with credits such as Goldeneye, Event Horizon, Wind in the Willows, BBC2 idents and various commercials.
